Party Lines Drawn Close--7 Republicans Aided, 4 Democrats Opposed--Bill Goes to Senate Today

WASHINGTON, Oct. 1.—The Underwood tariff bill passed the house of representatives shortly before 6 o'clock yesterday afternoon by a vote of 254 to 103. Party lines were drawn closely in the final vote. In passing the bill the Democratic majority received the assistance of but seven Republicans—Blatz and McDonald, Michigan; Kelly and Ruple, Pennsylvania; Kent, California; Manahan, Minnesota, and Stearns, Wisconsin. Democrats voting against the bill were DeLoach, Pennsylvania; Fromsard, Missouri; and Lazzaro, Louisiana. After a bitter fight Underwood secured the substitution by a vote of 171 to 161 of President Wilson's compromise for the Clark amendment to tax deals in cotton futures. The senate is not expected to accept the compromise and the proposition to restrict or to regulate market operations in cotton futures is expected to go over until next winter. Representative Fitzgerald of New York and Southern members having cotton exchanges in their districts were defeated in an attempt to pledge the house against any cotton futures legislation at this time, by a vote of 205 to 200. The tariff bill, with the exception of the cotton futures amendment, was rushed to the senate today and final vote on the bill, with the rejection of the Wilson compromise, is expected by the end of the week.

## RESIGNATION OF SULZER DENIED

Reported He Would Quit Monday If Impeachment Trial Would be Dropped

BOTH SIDES PRONOUNCE RUMOR AS RIDICULOUS

Prosecution Rests Case After Some Damaging Evidence; Defense Opens Tomorrow

ALBANY, Oct. 1.—Persistent reports have been circulated here that Gov. Sulzer has agreed to resign when the legislature reconvenes on Monday night in return for promises that the impeachment proceedings be dropped and no attempt be made to disqualify him from future holding of office. The attorneys on both sides have characterized the reports as ridiculous.

The prosecution closed its case today. Its testimony seemed to fizzle out during the early part of the morning session, but with dramatic suddenness the prosecution finally stumbled upon evidence that may be damaging, when John B. Gray, a member of the brokerage firm through which it is alleged the governor speculated, testified that Gray reluctantly admitted that at least a portion of "Account No. 500" on his firm's books was Gov. Sulzer's. He admitted that he bought one hundred shares of Big Four stock without asking for a margin when told the stock was for Sulzer. The prosecution also attempted to bring out the story that the governor's secretary, Louis Sarecky, was rewarded for promising not to testify against the governor.

Brekner Fuller, who testified yesterday as to Gov. Sulzer's Wall street activities, made a long statement denying the insinuation that his firm had juggled the books to conceal the state of Sulzer's account. Justice Cullen ruled the statement out of order. Justice Cullen had been made regarding his firm, his lawyers could bring suit in contempt of court and that it would be given adequate attention. When one of the prosecutors started to read into the record the refusal of Louis Sarecky Gov. Sulzer's secretary, to testify before the Fraley committee, saying, "We have a right to show that Gov. Sulzer actually bribed his secretary to refuse to answer." Justice Cullen called a sudden halt, and ruled that it could not be shown that Sarecky was bribed. The prosecution then admitted that it does not intend to call the secretary as a witness. Court finally adjourned until tomorrow afternoon, despite the plea of the defense to recess to Monday. The defense will open tomorrow.

## NATURE LOVERS FIGHTING HETCH-HETCHY SCHEME

WASHINGTON, Oct. 1.—The California congressional delegation today called on President Wilson and urged him not to veto the Hetch-Hetchy water bill for San Francisco which is awaiting his signature. The visit was prompted by the report that nature lovers are planning a final and supreme onslaught to secure a veto to prevent "despoliation of the Hetch-Hetchy country." The famous Yosemite Valley is the source of the proposed water supply and the Hetch-Hetchy proposition has been fought bitterly by those who wish to preserve the wonderful valley intact.

## RATES ADVANCED BY SANTA FE R. R. ARE SUSPECTED

WASHINGTON, Oct. 1.—Interstate Commerce Commission suspended to January 28, 1915, an advance of Santa Fe rate on lumber in car lots from California to points in Texas and New Mexico. The present rate is 40 cents per 100 pounds and the new schedule proposed rate of 50 cents. Advanced rates the Southern Pacific for the territory were also suspended. The commission also suspended to January 28, 1915, the operation of transcontinental tariffing of butter, commodity rates on shipments of butter, eggs and other products from points in Kansas, Nebraska and other middle western states to the Pacific coast.

## GARBAGE WAR IN BURIED MINER CHICAGO IS RAGING CHEERFUL IN TOMB

Row Between City and Reduction Plant Holds Up Millions Pounds Garbage

CHICAGO, Oct. 1.—A flat ultimatum that unless the city agrees to buy its garbage plant at the terms proposed by the owning company by midnight, the plant will be closed and the garbage allowed to rot, was sent to Mayor Harrison today by the Chicago Reduction Company. Alderman Merriam and others demand that the city seize the plant and operate it, pending a court decision. The company threatens a restraining order if the city attempts such a move. The mayor has called a special meeting of the council to consider the matter. Fears are felt of a pestilence if the city's daily output of millions of pounds of garbage is allowed to accumulate.

## DUCK HUNTING WAS ON TODAY

Commission's Report Spoiled Many Hunts But Did Not Stop Others

The Fish and Game Commission got off on the wrong foot when it sent out telegrams to all the county clerks of the state stating that information from Washington was to the effect that there could be no duck shooting until Oct. 15.

News bureaus last night reported that the bill has not yet been signed by the president, and that the state laws are still in control. The effect of the commission's step was to spoil a good many hunts. The gun clubs, however, had men on the job hunting up the facts in the case, and this morning the usual opening day bombardment of ducks occurred. The hunters found that there was a mix-up on the law, and they took a chance. From the best present information obtainable it is now lawful to hunt ducks. The federal law may change that most any day.

## POPE PIUS' STRENUOUS RECORD IN SEPTEMBER

ROME, Oct. 1.—All question of Pope Pius' complete recovery seemed settled when his record for the past month was made public today. Although September proved to be the hottest month of the past Roman summer, His Holiness during the month received the record-breaking number of 32 pilgrimages. These came from Italy, France, Sicily, Alsace-Lorraine, Brazil and the United States, some of them numbering thousands. On September 7 he also received over 5,000 of the participants in the games of the Federated Catholic Athletic Societies of Italy. The receiving of the pilgrimages was in addition to all of his usual work and private audiences.

## MILLIONAIRE WHO IS TRYING PRISON LIFE WORKS WELL

AUBURN, N. Y., Sept. 30.—Thomas Osborne, the millionaire ex-mayor, who entered the state prison as a common prisoner to learn at first hand prison conditions, had rolled oats, skinned milk, dry bread and coals for breakfast today. He ate all he could get. He does not talking as the rules forbid. The guards say he is a good worker. He did odd jobs throughout the day pending regular employment.

OAKLAND, Oct. 1.—Warfare in the outskirts of Oakland raged fiercely today between the employees of the Southern Pacific Railway Company and the Wickham Havens Realty Company. With fifty men behind him, Walter Leimert, backed by the Havens Company and 400 property owners in Havens Court, a fashionable suburb of Oakland, held back a train of Southern Pacific electric cars from crossing the property, while a Southern Pacific force sought to force the train into the tract. The police were appealed to to keep the peace.

The trouble followed the alleged refusal of the railroad company to stand by a reported agreement to charge a five-cent fair from Havens Court to the depot. When the first train came today the crew found the road blocked with debris. The Havens men placed more obstructions on the road as fast as the railroad men removed them. The Havens crowd finally sent for dynamite, threatening to dynamite the tracks if the company insisted on running trains. Before the explosive arrived on the scene of action three trains had been operated through the tract. The company then called off the schedules for the remainder of the day, saying the contract had been fulfilled when three trains had been operated.

## EX-KING MANUEL DEPLORES SCANDAL

Would Hush Reports as to Illness of Bride—Both May Go to England

(By Karl Von Weigand) BERLIN, Oct. 1.—Former King of Portugal Manuel is making desperate efforts today to suppress the scandalous stories about concerning his bride's illness. He moved today from his hotel in Munich to the hospital where his bride is a patient, and announced that as soon as she is able to travel she will accompany him to Fulwell Park, Twickenham, England, to live. The former king's friends attribute the circulating of the stories concerning the nature of the bride's illness to Portuguese Republicans. Despite all efforts on Manuel's part, the stories persist that she was never ill until ten days after her marriage.

## GOV. JOHNSON HAS NOT YET DECIDED

Says Will Determine by Year's End—Denies Knowledge of Progressive Revolt

SACRAMENTO, Oct. 1.—Gov. Hiram Johnson today denied that he had decided whether or not he would be a candidate for re-election. He said: "I assume the Progressives of the state will decide in due time. Whether I personally will desire to be a candidate will be determined by the end of the year. The policy of the Progressives will be determined by the great body of Progressives, not by one or two or three men." He denied any knowledge of the reported break in the Progressive party led by Senators Boynton, Thompson and Gates on account of dissatisfaction in the distribution of offices.

## MODEST OPENING OF PANAMA CANAL

Such is Likely to be the Case if Col. Geo. W. Goethals Has His Energetic Way

ANCON, Canal Zone, Oct. 1.—Perhaps with a little ceremony as would attend the trial of a new sewer-pipe, the Panama Canal, one of the biggest accomplishments in the world's history, is shortly to be opened. Col. Geo. W. Goethals, chief engineer directing this gigantic task, will turn out of bed, reach for the telephone, and order a small steamer sent through the Canal from Colon to the city of Panama, or vice versa, on a trial trip. No ceremony worthy of this epoch-making, ocean-to-ocean highway, dreamed of since the time, centuries ago, when Balboa first crossed the isthmus. Of course there will be the final opening in 1915, when the United States government will invite the nations of the world to participate in a grand celebration, but the opening which Col. Goethals, with his disregard of sentiment and his single aim of getting things done, will have, will be a little private party all his own, and about which the world may know nothing until after it is over.

## HAD SPLENDID DAY

Bradley Home Scene of All-Day Picnic—Old Soldiers and W. R. C. Women Present

Yesterday was one of the many red letter days enjoyed by the patriotic societies of Santa Ana. A number of G. A. R. veterans and a still larger number of the ladies of the Woman's Relief Corps gathered at the Reuben Bradley home on Santa Clara avenue in what they termed after it was all over an "all-day picnic," so joyous was the day. Thirty-six people united in the day's festivities, and all of them took something good to eat with them, a royal dinner of substantial and the season's delicacies was spread at noon.

There is no more congenial company than one made up of men and women of the patriotic societies. They are bound together by sentiments of patriotism, allied by common experiences of suffering in the day of the sixties of victories gained and by the many happy social times they have had together in the years of peace that have succeeded the grim days of war. So when they meet around a well laden board, the hour is always auspicious and overflows with jollity. It was so yesterday, and the afternoon that followed the noon dinner was fully as happy as had been the "picnic" feast.

Those who were entertained by Mr. and Mrs. Bradley included Messrs. and Mesdames E. T. Langley, J. R. Wilson, Henry Messer, W. J. Lelander, W. O. McLeod, Mesdames Maryatt, Noyes, H. E. Smith, Campbell, Luecher, Julia A. M. Jones, Mary Crissman, Jay Powers, Mary Kellogg, Sarah Ott, Belle Alderman, Clara Wedgewood, Lucinda Criddle, Jeanette Magill, Nellie King, Mary Moore, Catherine Fischer, Harriett Coulter, Alice Yount, Mary Emerson, Lucy Marsalle, Viola Phipps, Susan Burns, Conner.

## A GOLDEN WEDDING DAY

Friends of Well Known People Marked Day With Flowers and Congratulations

Yesterday was the golden wedding day of Mr. and Mrs. M. M. Crookshank. Well beloved as these well known people are, it would have been a deep pleasure to their friends and to members of their family to have made the occasion one of festivity and gift-bearing. For the M. M. Crookshanks have a very warm place in the hearts of many hundreds of friends in Santa Ana and Orange county, identified as they have been with the business, social and church interests of the community. But the modesty of Mr. and Mrs. Crookshank made them reluctant to have anything done in special observance of the day, important as the milestone is in their own lives.

Consenting to their request, their friends accordingly let their plans drop. But the members of the Congregational church showered them with letters of congratulation and affection, and a lovely mass of golden rods was sent to Mr. and Mrs. Crookshank by the Ladies' Aid Society of the church. Mr. and Mrs. Crookshank were greatly touched and pleased by these quiet demonstrations of friendship and esteem. For themselves, they could recall the day of which yesterday was the fiftieth anniversary, in words something like these:

... day like this does link together close  
The present and the past.  
With instant joys, beloved memories  
Crowd on us thick and fast.

Anon we look deep into friendly eyes,  
Even from our youth most dear,  
Or clasp in our hands that have  
freed from thorns  
Our pathway year by year.

Then turn about to meet and greet new friends  
Whose lives now touch on ours;  
And from them all come love, good cheer and smiles,  
Kind words and sweetest flowers.

And their friends, from the loving-cup of affection, could well wait to Mr. and Mrs. Crookshank this greeting:  
Beside these dear ones, whoso'er they bide,  
May brooding love and care  
Keep them and us henceforth. With God, we know,  
There is no here nor there.

### All Day Meeting

The Ladies' Aid Society of the First Congregational church held an all-day meeting today at the church, a feature of which was an excellent dinner served at noon to the ladies and those of the men of the church and congregation who were able to be present. There was an excellent attendance of those who affiliate with this church and the noon hour proved a most pleasant one. The committee serving today consisted of the following ladies: Mesdames Norton, Cole, Decker, A. E. Chapman, Mary Rowell, E. M. Nealey.

The afternoon session of the society was devoted to needlework, a program and plans for the season's work. The entire day was greatly enjoyed by the ladies present.

## W. C. T. U. MEETING

Scientific Temperance Was Topic Discussed; Made Plans for Teachers' Reception

The Santa Ana W. C. T. U. met yesterday afternoon at the home of Mrs. Fox, 713 Spurgeon street, opening with Scripture reading by Mrs. Sturgeon.

The subject for discussion was "Scientific Temperance Instruction." Mrs. W. B. Tedford, local superintendent of that department, had charge of the program and made a good talk on the subject, also reviewing the past year's work. Mrs. Ora Benson, the county W. C. T. U. Superintendent of Scientific Temperance Instruction, was present and gave the plan for this year's work in the department. It will consist of essay writing on the different topics assigned to both grammar grade and high school students. Mrs. Sobieski, wife of Col. John Sobieski, was present and gave a talk. She also announced the lecture for Tuesday night by Mr. Sobieski on the Abatement and Injunction law.

The union voted fifteen dollars to be sent to Anaheim to be used in the temperance campaign fund. The union recently presented a banner to the Anaheim temperance campaign committee by the W. C. T. U., which will be used in the campaign being made in that city to rid the town of saloons.

The union voted to give the public school teachers and Board of Education a reception, the time and place to be announced later. The next regular meeting will be an evening meeting at the home of Mrs. D. Waffie, and the fathers and all friends are invited to this meeting. Talks will be given by the city trustees and a good program will be enjoyed. The committee for the meeting includes Mrs. Horace McPhee, Mrs. Anna Gale, Mrs. Catland, Mrs. Crozier, Mrs. J. E. Kellogg, Miss J. Campbell.

### Greeted New Members

The new members of the First Christian church and those strangers in the city who took advantage of the invitation extended to them to be present, were the principal guests at a "getting acquainted" reception held at the Christian church last evening. Pennants of different states were used for the occasion, and the new members, as well as others, were required to register by states, 25 states being represented. Missouri, that splendid state from which hail the pastor of the church, Rev. Paul E. Wright, and many other distinguished men of the land, "led all the rest" with 36 representatives. The booby prize for attendance was awarded to Ireland, one lone representative appearing.

Each state was required through all its representatives, or by one or more, to do some entertaining stunt. The roll was called and songs, readings and speeches were given in response. Miss Phipps, representing California, sang "I Love You, California," and Mrs. Shepherd, in honor of Colorado, sang "Where the Silvery Colorado Winds Its Way." A piano solo was rendered by Miss Lucas for Oregon, and Mr. and Mrs. F. M. Seeley sang a song for Michigan. Dr. and Mrs. J. W. Sylvester sang an original song for Ohio, and Mrs. Lowman read a suffragette poem for Kansas. E. W. Knight talked for Vermont, and the Missourians, led by the pastor, gave an imitation of the Missouri mocking bird. The Illinoisans sang a state song, and other states were represented by choruses.

Besides the various solos and duets, good music was furnished by the Sunday school orchestra. Refreshments were served and a good time generally was enjoyed. A splendid attendance marked the evening, and those who went as strangers went away feeling that they had acquired many friends.

### Nooyen-Mathes

A wedding of interest to many Santa Ana people occurred in Los Angeles Monday, when Mr. John J. Nooyen of that city and Miss Anna Mathes of South Bend, Indiana, were united in marriage. The ceremony took place at the German Lutheran parsonage, at 3:30 in the afternoon.

Santa Anans who were guests at the wedding were Mr. and Mrs. C. S. Kelley and W. C. Lorenz. These were also guests at a wedding dinner served at the Alexandria at 7 o'clock.

Mr. Nooyen is well known in Santa Ana, having been connected with the E. B. Smith jewelry store here for a number of years. He was prominent in local amateur theatrical circles, and is a member of Santa Ana Lodge

# Ready for Sale Clothes

The most efficient tailoring organs of the day are making ready-for-service clothes. The industry has grown to its present importance because of the fact that all men 90 per cent are of normal physical build. A great majority of these men are too saving of time to allow an inexperienced man to take their measure, then to speculate for from one to three weeks on how a suit or overcoat, selected from a trifling piece of cloth, will look and fit.

Hirsh-Wickwire clothes are carefully and skillfully designed and tailored by as able masters of the craft as can be gathered. You men who have been disappointed in "tailor made" will be agreeably surprised by slipping on one of our Hirsh-Wickwire coats.

### To Fill Vacant Pulpit

Rev. Paul Stevens, 312 Halesworth street, Santa Ana, a well known Presbyterian minister of this city and who is the Presbyterian Sunday School Missionary for Southern California, will temporarily fill the pulpit of the First Presbyterian church of Long Beach, made vacant by the retirement last night of Dr. O. H. L. Mason.

Rev. Mr. Stevens will either fill the Long Beach pulpit personally or see that it is otherwise supplied, and look after the various church services, until such time as a new pastor for the church is chosen.

### Successful D. of V. Convention

The Daughters of Veterans held a district convention yesterday in the G. A. R. hall which was a great success, both as a social gathering and for the instruction received. There were representatives from the tents at Sawtelle, Watts, Orange, Fullerton and Santa Ana. A social time was enjoyed until about 10:30, in order that all might become acquainted, after which there was a business session lasting until noon, when Santa Ana tent served a most delicious four-course luncheon.

At 1:30 the Daughters were again called to order by the presiding officer, Mrs. Haines, of Los Angeles for a school of instruction, which was most enjoyed by all. Jessie Burton Fremont Tent of Los Angeles exemplified the work in a very satisfactory manner.

There were sixty present and a goodly number of veterans. A great deal of credit is due the Santa Ana girls for the success of the meeting and a hearty vote of thanks was given them by the visitors. The tent room and banquet room were beautifully and appropriately decorated with roses and ferns and flags, with dainty hand-painted place cards at each place at the table.

This was the first district meeting ever held in this district, but that will not be the last it is quite sure. Those who attended the one yesterday have already decided to not miss the next one held here if it is possible to attend.

IN THE JUSTICE COURT

## SIX MONTHS IN THE COUNTY JAIL

Gun-Packer and Bicycle Thief Gets a Swift Jolt from Justice Cox

When Justice Cox gets hold of an admittedly, known bad hombre, he bends him all that the law allows along with a straight from the shoulder talk. He had a case this morning that seemed to call for a jolt, and the jolt was delivered.

Andreas Aguilar was sentenced to jail for six months, and the Justice told him he was not getting a. he deserves at that.

Aguilar stole a bicycle eighteen months ago, and let another man go to trial for stealing it. Pimental, that other man, was discharged, and after months he found the guilty man, Andreas Aguilar, who seems to have been quite some swaggar of a fellow at Delhi. When Under Sheriff Law arrested Aguilar, a big revolver was found on the man. It was for carrying a concealed weapon that Aguilar was before Justice Cox. A guilty plea was entered, and the sentence was passed.

### Eleven to One

Yesterday a jury stood eleven to one in the trial of G. H. Agayo, an Anaheim man charged with playing draw poker. Martin Guerra was one of the witnesses called. Guerra had pleaded guilty to running a place where there was gambling, and paid a \$50 fine. He said he would testify against Agayo, but when he got on the witness stand he declared Agayo did not play. Attorney Leonard Evans of Anaheim represented Agayo.

### Collected \$500

This morning Justice Cox disposed of the last of the Los Alamitos blind pig and gambling cases by giving six months suspended sentences to Jesus Verdugo and Carlos Santos. As a result of the raid conducted by District Attorney West, Deputy Eden, Sheriff Ruddock and Under Sheriff Law, \$500 in fines was collected and several suspended sentences were given to insure the keeping of promises of good behavior.

### Asks for Damages

Antonio Russo has brought suit for \$10,000 damages against Joseph Mollica, who owns a ranch on Tustin avenue above Orange. On Jan. 27 Russo was employed on the ranch. He says Mollica drove a team to a wagon that had no brakes. The team ran away and the two men were thrown out. Mollica had a leg broken, but there is no mention of that in the complaint. Russo had his left knee-cap broken, and says he will never have the use of the leg. He is represented by Los Angeles attorneys.

## ANOTHER SUIT OVER THEATER

Third Action With Mechanic's Lien to go on File Against Auditorium

Today another suit against the Auditorium Theater was commenced, based upon mechanic's liens. This time G. P. Hill is the plaintiff on a demand for \$153.75. Hill alone is represented by the plaintiff in this action. A number of plaintiffs appeared in an action begun recently. Several of the creditors are suing for the purpose of maintaining their liens, not for the purpose of pushing their suits and taking over the theater. Attorney S. M. Davis represents Hill.

## MACDONALD HEARING SET FOR OCTOBER 21

District Attorney West has been notified that the rehearing in the R. C. Macdonald case has been set by the Supreme Court for Oct. 21. While the attorney general's office looks after the arguments in the upper court in criminal appeal cases, it is understood that both District Attorney West and Deputy Koepsel will be present during the hearing on Oct. 1 in Los Angeles.

Macdonald, formerly a school principal, was sentenced to twenty-five years in San Quentin on a felony charge brought by one of his pupils. The appellate court granted him a new trial on the ground that remarks made by Judge West in which he said that the demeanor of the girl witness on the stand was modest were prejudicial. The district attorney's office believes that the supreme court will reverse the appellate court and uphold the Orange county superior court. If so, Macdonald will not get a new trial.

### A GOOD OPPORTUNITY

—Have you money which you wish to earn more than an ordinary rate of interest on?

I want the association of a few persons with a reasonable amount each in a commercial enterprise upon which the returns will be large. This is in no way a wild-cat proposition, but is a sound commercial enterprise where you will not have to wait long for returns.

It will stand the closest investigation and will show tremendous earning possibilities.

If you are desirous of making money from an investment which does not require your time or labor, investigate this and you will see how a vast amount is possible to be made from a small outlay. I will give details in person only.

Send me your name and address and I will call. Address F. Box 40, Register Office.—Adv.
